

## Music Term 4 Overview Classroom Music with Mrs Jeeva

Classroom music will continue to include fun hands-on activities in Term Four.

### **PREP**

Students will learn new songs and add percussion and movement to music. They will keep the beat as they sing and play percussion instruments. Students will identify orchestral instruments by sound, actions songs and dances, and moving to music. Students will also learn some Christmas songs.

### **Year One**

Students will participate in iPad activities while reading-writing and performing rhythms ta, titi and saa. They will add percussion and movement to music and sing and move to new actions songs. Students will also learn some Christmas songs.

### **Year Two**

Students will participate in various Music related iPad tasks. They will also take part in activities that include rhythms ta, titi and saa, singing in solfa, identifying instruments by sound and sight, action songs and dances, and singing in canon. Students will play melodies on bells, boomwhackers, and chime bars. They will also learn some Christmas songs.

### **Year Three**

Students will continue to learn to read music notes on the staff, and add stems to music noteheads. They will sing in solfa and canon (adding re, lah and doh), identify musical instruments by sound, and enjoy music games. Students will also learn to derive and write the rhythm and notes of some songs. Throughout the term students will participate in a range of Music related iPad tasks and they will also learn some Australian songs and Christmas songs.

### **Year Four**

Students will continue recorder playing this term. They will play melodies on bells, boomwhackers, and chime bars. Throughout the term students will participate in a range of Music related iPad tasks and they will also learn some Christmas songs.

### **Year Five**

The main focus for students this term is the keyboard. Students will also sing some Christmas songs.

### **Year Six**

Students will be learning their Graduation songs this term. They will also sing some Christmas songs, and continue keyboard practise.
