Protective case

The iPad must have a protective case with an added tempered glass front screen cover with a sturdy backing.

The following brands are sturdy and do not obstruct the headphone jack, volume control and camera: *Gumdrop, Griffin Survivor and OtterBox.*

NOTE: Novelty cases are ineffective to protect your child's iPad and may obstruct the headphone jack, volume control and camera.

Headphones

Children must have over the head, headphones with built in microphone.

- The headphones on the booklist are **not** suitable for **iPad 10th gen**, **iPad Air** and **iPad Pros** as they do not have a headphone jack.
- Your child will need either: Bluetooth headphones, headphones with a lightning cable or a Lightning to 3.5mm Headphone Jack Adapter. http://shorturl.at/jkpB2

Stylus

A stylus is optional. The following are suggested brands: Apple Pencil, Zagg Pro Stylus or Logitech Crayon.

Travelling to and from school

The iPad must be kept in a waterproof satchel in your child's school bag. The Algester school bag has a waterproof carrier section inside.
