

# LOTE Term Three Overview

## LOTE with Mrs. Yeh

Students from year 2 to year 6 will continue the beginning stage of the Chinese learning process. The LOTE program has been designed based on the Australian curriculum; it is to help total beginners build a solid foundation and inspire their interest for learning Chinese as a second language.

The year 2 to year 6 students will continue recapping the learning from term 3 and will also learn how to use Mandarin to express various greetings, courtesy phrases, math adding, equation expression, a person's name and Christmas words.

The year 6 students will learn how to use Mandarin to express and describe their family members. Students will continue to learn Pinyin-Chinese phonetic symbols and tones, topic related Chinese characters, characters' structures, radicals, vocabulary, sentences and songs.

Students will be introduced to the Chinese famous novel; Journey to The West (Xi You Ji) to exposed them to this part of Chinese traditional culture.

The communicative approach will be adopted. The four major skills: speaking, listening, reading and writing will be developed
