Uniform Policy

Statement on Dress Code Prep – Year 6

Alger State School and its community have agreed upon a student dress code policy. These are aligned with the values, principles and expected standards outlined in the Student Code of Conduct and all students are encouraged to support this policy by wearing the school uniform.

The school has adopted the student dress code as it believes the code:

- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at school
- Fosters mutual respect among individuals at the school by minimizing visible evidence of economic, class or social differences
- Promotes a supportive environment at the school by fostering a sense of belonging
- Promotes a safe environment for learning by enabling ready identification of students and non-students of the school
- Creates a good image of the school within the community and encourages students to uphold and enhance that image.

Dress Code

Students are encouraged to follow the uniform dress code during their normal attendance, and when travelling to and from school, to create a good image of the school within the community.

The uniform dress code is required when representing the school at competitions, excursions and performances. Students are required to follow the dress code during class photo sessions.

Areas of Responsibility

STUDENTS

Students are responsible for wearing the uniform in a manner that shows pride in oneself and promotes the good image of the school within the community, and encourages students to uphold and enhance that image. They are also responsible for checking lost property for missing items.

PARENTS

Parents are responsible for the provision and maintenance of the uniform mode of dress code. They are to ensure their children are appropriately dressed each school day. If issues arise parent/caregivers must send a note to school, a year level Deputy Principal or a classroom teacher on Seesaw, to seek guidance or explain the problem. It is also the parents' responsibility to ensure all children's clothing items are clearly labelled with the student's name.

TEACHERS

Teachers will encourage children to adhere to the dress code and ensure children wear protective clothing and equipment as required. If a child is inappropriately dressed, the student will be sent to the principal/nominee to access appropriate items from the bank of uniforms held at the school.

PRINCIPAL

The principal is to negotiate a position with students and parents who are not complying with the dress code. Should a student be inappropriately dressed the principal or nominee will offer appropriate items from the school's bank of uniforms. In relation to inappropriate dress, the principal or nominee will take action that prevents risk to students or others, or action that maintains normal school operations. The principal will inform the student's parents or carers of the matter, and if necessary, discuss it further with the relevant parties.

PARENTS AND CITIZENS ASSOCIATION

The Parents and Citizens Association will endorse the Student Dress Code. The Algester State School Parents and Citizens Association will provide a bank of uniform items (in reasonable condition) for the school to provide to children whose parents experience financial distress or for some reason cannot provide the uniform. The Parents and Citizens Association will review the uniform mode of dress as required and modify in consultation with the community.

The Algester Parent and Citizens Association will continue to make available the full range of uniforms through the school uniform shop.

PARENT AND CITIZENS ENDORSEMENT OF STUDENT DRESS CODE

The Parents and Citizens Association of Algester State School resolves that it supports a student dress code for Algester State School because it believes that a student dress code at Algester State School promotes objectives of Education (General Provisions) Act 2006 (Sections 360 – 363) and the Department of Education and Training policy Student Dress Code SMS-PR-022, in relation to implementing student dress codes in Queensland State Schools.

In particular, the Parents and Citizens Association of Algester State School supports the intention of a student dress code to provide a safe and supportive teaching and learning environment.
