

ALGESTER STATE SCHOOL VISION FOR INCLUSION

CREATING FUTURES **TOGETHER**

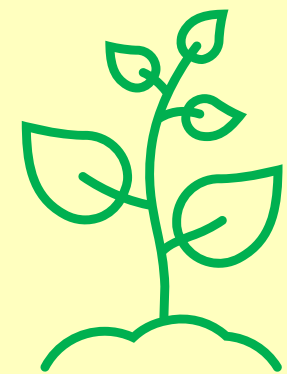

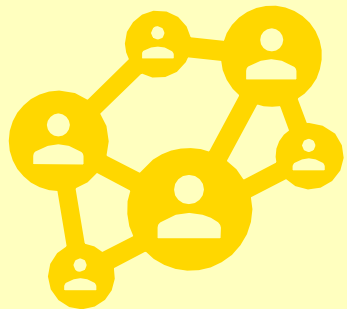

Access and participate in learning alongside same-age peers.

Our school community respects all students and strives to nurture them so they grow to their potential and feel they belong.

Valuing diversity in a safe, supportive environment.

All children can learn.

Student-centred, strengths-based and evidence-based approaches.

Vision

Our school community respects all students and strives to nurture them so they grow to their potential and feel they belong.

Values

- Access and participate in learning alongside same-age peers.
- Valuing diversity in a safe, supportive environment.
- All children can learn.
- Student-centred, strengths-based and evidence-based approaches.

At Algester we build an inclusive learning community by:

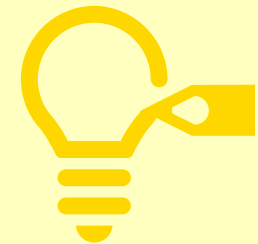

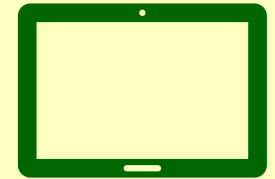

- making reasonable adjustments
- understanding students
- building relationships with parents as partners in learning
- identifying and removing barriers
- addressing discrimination and bullying
- acknowledging that inclusive education benefits students of all abilities

- fostering positive, inclusive diverse school culture

Toolkit for inclusion at Algester State School:

- Age Appropriate Pedagogies
- Maker Model for differentiation instruction
- Digital assistive technology
- Visual supports – schedules, graphic organisers, manipulatives, what-to-do social stories
- Goal setting and feedback
- WALT and WILF
- Co-operative learning through mixed ability groups
- Flexible classroom environments
- Tiered tasks
- Positive Behaviour for Learning PBL
- Trauma informed practices
- Zones of Regulation

INCLUSION – CREATING FUTURES TOGETHER
